

DO YOU SHOP AT FRY'S, SAFEWAY OR BASHAS'?

If you do, please be sure to register or re-register your grocery cards with these stores. All cards must be registered every year. They do not automatically re-enroll. By simply taking a few minutes to do the following steps, you can help our school raise money. Each of these grocery stores has their own program where they give back a percentage of the money you spend to our school. Every little bit makes a big difference in our child's education. Thank you in advance for your participation.

Fry's Shoppers:

1. At check out or customer service when the cashier scans your Fry's number, please give them this barcode to scan. Or if you don't carry a Fry's card but use your phone number, enter it in the keypad or tell the cashier your phone number and give them this barcode to scan. Once that happens, your Fry's number will be associated with Pinnacle Peak through the school year.
2. Shop away and you will be earning money for our school.

Bashas' Shoppers:

1. At check out or customer service when the cashier scans your Bashas' Thank You card number, please ask them to add the **Pinnacle Peak Elementary group number 29313** to your Thank You card. Or if you don't carry the actual Thank You card but use your phone number (or alternate ID), tell the cashier your phone number along with the **Pinnacle Peak Elementary group number 29313**. Once that happens, your Bashas' Thank You card number will be associated with Pinnacle Peak through the school year.
2. Shop and contribute to our school.
